TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EXCEPT AS OTHERWISE SPECIFIED IN A WRITING BY US, (A) HIRE ARE SOLD ON AN “AS IS” AND “AS AVAILABLE” BASIS WITHOUT WARRANTIES OF ANY KIND, WE EXPRESSLY DISCLAIM ALL IMPLIED WARRANTIES AS TO HIRE, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT; (B) WE DO NOT REPRESENT OR WARRANT THAT HIRE ARE RELIABLE, CURRENT, OR ERROR-FREE, MEET YOUR REQUIREMENTS, OR THAT DEFECTS IN HIRE WILL BE CORRECTED; AND (C) WE CANNOT AND DO NOT REPRESENT OR WARRANT THAT HIRE OR THE DELIVERY MECHANISM FOR HIRE ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS.

Some jurisdictions do not allow the exclusion of certain warranties or a disclaimer of implied terms in contracts with consumers, so some or all of the exclusions of warranties and disclaimers in this section may not apply to you.

12. Limitation of Liability

(A) TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW: (I) IN NO EVENT WILL FOUNDATION OR ANY OF THE FOUNDATION PARTIES BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES OF ANY KIND (INCLUDING, BUT NOT LIMITED TO, WHERE RELATED TO LOSS OF REVENUE, INCOME, OR PROFITS, LOSS OF USE OR DATA, OR DAMAGES FOR BUSINESS INTERRUPTION) ARISING OUT OF OR IN ANY WAY RELATED TO THE SALE OR USE OF HIRE OR OTHERWISE RELATED TO THESE TERMS, REGARDLESS OF THE FORM OF ACTION, WHETHER BASED IN CONTRACT, TORT (INCLUDING, BUT NOT LIMITED TO, SIMPLE NEGLIGENCE, WHETHER ACTIVE, PASSIVE, OR IMPUTED), OR ANY OTHER LEGAL OR EQUITABLE THEORY (EVEN IF THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE); AND (II) IN NO EVENT WILL THE AGGREGATE LIABILITY OF FOUNDATION AND THE FOUNDATION PARTIES (JOINTLY), WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE, WHETHER ACTIVE, PASSIVE, OR IMPUTED), OR OTHER THEORY, ARISING OUT OF OR RELATING TO THESE TERMS OR THE USE OF OR INABILITY TO USE HIRE, EXCEED THE AMOUNT YOU PAY TO US FOR HIRE.

14. Dispute Resolution; Arbitration

PLEASE READ THE FOLLOWING SECTION CAREFULLY BECAUSE IT CONTAINS ADDITIONAL PROVISIONS APPLICABLE ONLY TO INDIVIDUALS LOCATED, RESIDING, OR DOMICILED IN THE UNITED STATES. IF YOU ARE LOCATED, RESIDING, OR DOMICILED IN THE UNITED STATES, THIS SECTION REQUIRES YOU TO ARBITRATE CERTAIN DISPUTES AND CLAIMS WITH FOUNDATION AND LIMITS THE MANNER IN WHICH YOU CAN SEEK RELIEF FROM US.

(a) **Binding Arbitration.** Except for any disputes, claims, suits, actions, causes of action, demands, or proceedings (collectively “**Disputes**”) in which either Party seeks injunctive or other equitable relief for the alleged unlawful use of intellectual property, including, without limitation, copyrights, trademarks, trade names, logos, trade secrets, or patents, you and HireMatch(i) waive your and HireMatch’s respective rights to have any and all Disputes arising from or related to these Terms resolved in a court, and (ii) waive your and Foundation’s respective rights to a jury trial. Instead, you and HireMatch will arbitrate Disputes through binding arbitration (which is the referral of a Dispute to one or more persons charged with reviewing the Dispute and making a final and binding determination to resolve it instead of having the Dispute decided by a judge or jury in court).

(b) **No Class Arbitrations, Class Actions, or Representative Actions.** Any Dispute arising out of or related to these Terms is personal to you and HireMatch, and will be resolved solely through individual arbitration and will not be brought as a class arbitration, class action, or any other type of representative proceeding. There will be no class arbitration or arbitration in which an individual attempts to resolve a Dispute as a representative of another individual or group of individuals. Further, a Dispute cannot be

brought as a class or other type of representative action, whether within or outside of arbitration, or on behalf of any other individual or group of individuals.

(c) Federal Arbitration Act. The enforceability of this Section 14 will be both substantively and procedurally governed by and construed and enforced in accordance with the Federal Arbitration Act, 9 U.S.C. § 1 et seq. (the “**FAA**”), to the maximum extent permitted by applicable law.

(d) Notice; Informal Dispute Resolution. Each Party will notify the other Party in writing of any Dispute within thirty (30) days of the date it arises, so the Parties can attempt, in good faith, to resolve the Dispute informally. Notice to Quant Index shall be sent by e-mail to HireMatch at info@hirematch.io. Notice to you shall be sent by email to the then-current email address on your Account. Your notice must include (i) your name, postal address, email address, and telephone number, (ii) a description in reasonable detail of the nature or basis of the Dispute, and (iii) the specific relief you are seeking. If you and Quant Index cannot agree how to resolve the Dispute within thirty (30) days after the date notice is received by the applicable Party, then either you or Quant Index may, as appropriate and in accordance with this Section 14, commence an arbitration proceeding or, to the extent specifically provided for in Section 14(a), file a claim in court.

(e) Process. Any arbitration will occur in Miami Dade County, Florida. Arbitration will be conducted confidentially by a single arbitrator in accordance with the rules of the Judicial Arbitration and Mediation Services (“**JAMS**”), which are hereby incorporated by reference. The state and federal courts located in Miami Dade County, Florida will have exclusive jurisdiction over any appeals and the enforcement of an arbitration award. You may also litigate a Dispute in the small claims court located in the county where you reside if the Dispute meets the requirements to be heard in small claims court.

(f) Authority of Arbitrator. As limited by the FAA, these Terms, and the applicable JAMS rules, the arbitrator will have (i) the exclusive authority and jurisdiction to make all procedural and substantive decisions regarding a Dispute, including the determination of whether a Dispute is arbitrable, and (ii) the authority to grant any remedy that would otherwise be available in court; provided, however, that the arbitrator does not have the authority to conduct a class arbitration or a representative action, which is prohibited by these Terms. The arbitrator may only conduct an individual arbitration and may not consolidate more than one individual's claims, preside over any type of class or representative proceeding, or preside over any proceeding involving more than one individual.

(g) Rules of JAMS. The rules of JAMS and additional information about JAMS are available on the [JAMS website](#). By agreeing to be bound by these Terms, you either (i)

acknowledge and agree you have read and understand the rules of JAMS, or (ii) waive your opportunity to read the rules of JAMS, and any claim that the rules of JAMS are unfair or should not apply for any reason.

(h) ***Severability of Dispute Resolution; Arbitration.*** If any term, clause, or provision of this Section 14 is held invalid or unenforceable, it will be so held to the minimum extent required by law, and all other terms, clauses, and provisions of this Section 14 will remain valid and enforceable. Further, the waivers set forth in Section 14(b) are severable from the other provisions of these Terms and will remain valid and enforceable, except as prohibited by applicable law.

15. Governing Law and Venue

These Terms will be governed by and construed and enforced in accordance with the laws of the State of Florida, without regard to conflict of law rules that would cause the application of the laws of any other jurisdiction. Any Dispute between the Parties arising from or relating to these Terms or its subject matter or formation (including non-contractual Disputes of claims) not subject to arbitration will be resolved in the courts of Boca Raton, Florida.

16. Severability

If any term, clause, or provision of these Terms is held unlawful, void, or unenforceable, then that term, clause, or provision will be severable from these Terms and will not affect the validity or enforceability of any remaining part of that term, clause, or provision, or any other term, clause, or provision of these Terms.

17. Miscellaneous

These Terms constitute the entire agreement between you and us relating to your purchase of HIRE from us. We may make changes to these Terms from time to time as reasonably required to comply with applicable law or regulation. If we make changes, we will post the amended Terms at www.hirematch.io and update the “Last Updated” date above. We may also attempt to notify you through the HIRE website at www.hirematch.io. The amended Terms will be effective immediately upon posting. We may assign our rights and obligations under these Terms. Our failure to exercise or enforce any right or provision of these Terms will not operate as a waiver of such right or provision. We will not be liable for any delay or failure to perform any obligation under these Terms where the delay or failure results from any cause beyond our reasonable control. Purchasing HIRE from us does not create any form of partnership, joint venture, or any other similar relationship between you and us. Except as otherwise provided in

herein, these Terms are intended solely for the benefit of you and us and are not intended to confer third-party beneficiary rights upon any other person or entity. You agree and acknowledge that all agreements, notices, disclosures, and other communications we provide to you, including these Terms, will be provided in electronic form.

Exhibit A

Description of Quant Index Inc, HireMatch, and HIRE

1. Overview of HireMatch

Quant Index Inc is an entity registered in the State of Florida. Quant Index will have primary responsibility for the provision of Services and for administering the development of certain aspects of the HireMatch. The Platform, including the HireMatch network and settlement system described below, was developed and is operated entirely by the Quant Index Inc. It is anticipated that in the future, HireMatch may form other corporate affiliates to which HireMatch may provide, or from which HireMatch may receive, certain administrative, technical, and development services in connection with the Services and Platform.

2. Overview of Current Platform

The HireMatch Platform will decentralize the current job market, by using and implementing this platform, agents will receive rewards in the form of HIRE tokens, giving power back to the people and away from large corporate job boards. Our ultimate goal isn't to compete directly other cryptocurrencies such as Bitcoin, but rather to provide a solution and support for the current woes in the job board and recruitment marketplace.

3. Development of Platform with HIRE Functionality and Services

HIRE is based on the Ethereum protocol and conforms to the ERC20 standard. As a result of directly integrating HIRE and its functionality into the Platform, the Platform consists of (i) the HireMatch network, which provides for secure storage, access, and use of ePHI by network participants, and (ii) settlement of transactions among participants in the HireMatch network, each as facilitated by HIRE.

Further details regarding the Platform are described in “HireMatch: “Decentralized Job Marketplace”, also known as the HireMatch Whitepaper

(“**Whitepaper**”), available at: <http://www.hirematch.io/docs/hirematch-whitepaper.pdf>. The information contained in the Whitepaper and HireMatch’s website are of descriptive nature only, and do not, unless explicitly incorporated, form part of these Terms. Although Quant Index Inc intends to develop HireMatch in the manner generally described above, it reserves the right to modify features, functionalities, or development plans in its sole and absolute discretion.

Exhibit B

Token Sale Procedures and Specifications

1. Total Number of HIRE to be Created and Sold

HireMatch will create up to 100 million HIRE tokens through the Smart Contract System. Before the Sale Period Begins, the Smart Contract System will create a pool of 22 million pre-allocated HIRE tokens to Quant Index (“**HireMatch HIRE**”) for certain uses as described in Section 5 below. A separate pool of up to 78 million HIRE will be created by the Smart Contract System for sale by HireMatch to purchasers during the Sale Period. All HIRE tokens will be of equal value and functionality.

2. Token Pre-Sale, Commencement, and Duration of Token Sale

Quant Index will complete a HIRE token pre-sale, and will commence a public sale of HIRE during a sale period (“**Sale Period**”). The public sale of HIRE will begin at approximately 9:00 am PST on August 1, 2017 (“**Launch Date**”) and continue until either:

(a) 46,666.6667 ETH has been received by Quant Index or (b) 11:59 pm, EST on August 31, 2017, whichever is earlier.

3. HIRE Price

For the first ten days following the Launch Date, 1 ETH will purchase 1,800 HIRE tokens, making the sale price of HIRE approximately 0.000555 ETH/HIRE during this time period; for the next ten days following the Launch Date, 1 ETH will purchase 1,650

HIRE, making the sale price of HIRE approximately 0.000606 ETH/HIRE during this time period; thereafter, 1 ETH will purchase 1,500 HIRE, making the sale price of HIRE approximately 0.000667 ETH/HIRE for the remainder of the Token sale. There is no sale price for Quant Index HIRE token, which is created by the Smart Contract System and pre-allocated to the Quant Index before the Sale Period.

4. Procedures for Buying and Receiving HIRE

In order to purchase HIRE during the Sale Period, and to receive the HIRE tokens you purchase, you must have an Ethereum wallet that supports the ERC20 token standard. Quant Index reserves the right to prescribe additional wallet requirements.

Prior to the Launch Date, Quant Index will publish an address for the HIRE sale via www.HireMatch.io. To initiate a purchase of HIRE, you must send an amount of Ether to the Smart Contract System located on the Ethereum blockchain pursuant to the instructions at www.hirematch.io. This action triggers a smart contract operation, pursuant to which the Smart Contract System will automatically create and promptly deliver the corresponding HIRE tokens to the ERC20 wallet address from which the Ether were sent.

The Smart Contract System is deployed by Quant Index from Delaware, and is programmed so all transactions it executes will be executed in Delaware. As such, title to, and risk of loss of, HIRE created and delivered by the Smart Contract System passes from Quant Index to purchasers in Delaware.

5. Quant Index / HIRE

Of the HireMatch tokens, 17 million HIRE will be used for compensating employees, contractors, Bounty and for other internal purposes in connection with the deployment and the development of the Platform.

The remaining 5 million HIRE tokens will be allocated to the HireMatch's founding team, subject to a twelve-month holding period, for the purpose of incentivizing the founding team to continue developing the Platform.

6. Use of Proceeds from HIRE Token Sale

The Ether that Quant Index receives for HIRE sold to purchasers during the Sale Period, up to 46,666.6667 ETH, will be used to compensate engineers, staff, and contractors, cover operating costs and marketing expenses, and to address other administrative and unforeseen costs.

Exhibit C

Certain Risks Relating to Purchase, Sale, and Use of HIRE

Important Note: As noted elsewhere in these Terms, the HIRE are not being structured or sold as securities or any other form of investment product. Accordingly, none of the information presented in this Exhibit C is intended to form the basis for any investment decision, and no specific recommendations are intended. Foundation expressly disclaims any and all responsibility for any direct or consequential loss or damage of any kind whatsoever arising directly or indirectly from: (i) reliance on any information contained in this Exhibit C, (ii) any error, omission, or inaccuracy in any such information, or (iii) any action resulting from such information.

By purchasing, holding, and using HIRE, you expressly acknowledge and assume the following risks:

1. Risk of Losing Access to HIRE Due to Loss of Private Key(s), Custodial Error, or Purchaser Error

A private key, or a combination of private keys, is necessary to control and dispose of HIRE stored in your digital wallet or vault. Accordingly, loss of requisite private key(s) associated with your digital wallet or vault storing HIRE will result in loss of such HIRE. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a digital wallet or vault service you use, may be able to misappropriate your HIRE. Any errors or malfunctions caused by or otherwise related to the digital wallet or vault you choose to receive and store HIRE, including your own failure to properly maintain or use such digital wallet or vault, may also result in the loss of your HIRE. Additionally, your failure to precisely follow the procedures set forth in Section 4 of **Exhibit B** for buying and receiving HIRE, including, for instance, if you provide the wrong address for receiving HIRE, may result in the loss of your HIRE.

2. Risks Associated with the Ethereum Protocol

Because HIRE and the Platform are based on the Ethereum protocol, any malfunction, breakdown, or abandonment of the Ethereum protocol may have a material adverse

effect on the Platform or HIRE. Moreover, advances in cryptography, or technical advances such as the development of quantum computing, could present risks to HIRE and the Platform, including the utility of HIRE for obtaining Services, by rendering ineffective the cryptographic consensus mechanism that underpins the Ethereum protocol.

3. Risk of Mining Attacks

As with other decentralized cryptographic tokens based on the Ethereum protocol, HIRE are susceptible to attacks by miners in the course of validating HIRE transactions on the Ethereum blockchain, including, but not limited to, double-spend attacks, majority mining power attacks, and selfish-mining attacks. Any successful attacks present a risk to the Platform and HIRE, including, but not limited to, accurate execution and recording of transactions involving HIRE.

4. Risk of Hacking and Security Weaknesses

Hackers or other malicious groups or organizations may attempt to interfere with the Platform or HIRE in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensus-based attacks, Sybil attacks, smurfing, and spoofing. Furthermore, because the Platform is based on open-source software, there is a risk that a third party or a member of the HireMatch.io team may intentionally or unintentionally introduce weaknesses into the core infrastructure of the Platform, which could negatively affect the HireMatch and HIRE, including HIRE's utility for obtaining Services.

5. Risks Associated with Markets for HIRE

HIRE are intended to be used solely on the Platform, and Foundation will not support or otherwise facilitate any secondary trading or external valuation of HIRE. This restricts the contemplated avenues for using HIRE to obtain Services or access the Platform, and could therefore create illiquidity risk with respect to HIRE you hold. Even if secondary trading of HIRE is facilitated by third party exchanges, such exchanges may be relatively new and subject to little or no regulatory oversight, making them more susceptible to market-related risks. Furthermore, to the extent that third-parties do ascribe an external exchange value to HIRE (e.g., as denominated in a digital or fiat currency), such value may be extremely volatile and diminish to zero.

6. Risk of Uninsured Losses

Unlike bank accounts or accounts at some other financial institutions, HIRE are uninsured unless you specifically obtain private insurance to insure them. Thus, in the event of loss or loss of utility value, there is no public insurer, such as the Federal

Deposit Insurance Corporation, or private insurance arranged by us, to offer recourse to you.

7. Risks Associated with Uncertain Regulations and Enforcement Actions

The regulatory status of HIRE and distributed ledger technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether regulatory agencies may apply existing regulation with respect to such technology and its applications. It is likewise difficult to predict how or whether legislatures or regulatory agencies may implement changes to law and regulation affecting distributed ledger technology and its applications, including the Platform and HIRE. Regulatory actions could negatively impact the Platform and HIRE in various ways, including, for purposes of illustration only, through a determination that HIRE are a regulated financial instrument that require registration or licensing. Quant Index may cease operations in a jurisdiction in the event that regulatory actions, or changes to law or regulation, make it illegal to operate in such jurisdiction, or commercially undesirable to obtain the necessary regulatory approval(s) to operate in such jurisdiction.

8. Risks Arising from Taxation

The tax characterization of HIRE is uncertain. You must seek your own tax advice in connection with purchasing HIRE, which may result in adverse tax consequences to you, including withholding taxes, income taxes, and tax reporting requirements.

9. Risk of Alternative Platforms

It is possible that alternative platforms could be established that utilize the same open source code and protocol underlying the Platform and attempt to facilitate services materially similar to the Services. The Platform may compete with these alternative platforms, which could negatively impact the Platform and HIRE, including HIRE's utility for obtaining Services.

10. Risk of Insufficient Interest in the Platform or Distributed Applications

It is possible that the Platform will not be used by a large number of individuals, companies, and other entities or that there will be limited public interest in the creation and development of distributed platforms (such as the Platform) more generally. Such a lack of use or interest could negatively impact the development of the Platform and the potential utility of HIRE, including its utility for obtaining Services.

11. Risks Associated with the Development and Maintenance of the Platform

The Platform is still under development and may undergo significant changes over time. Although we intend for HIRE and the Platform to follow the specifications set forth in **Exhibit A**, and will take commercially reasonable steps toward those ends, we may have to make changes to the specifications of HIRE or the Platform for any number of legitimate reasons. This could create the risk that HIRE or the Platform, as further developed and maintained, may not meet your expectations at the time of purchasing HIRE. Furthermore, despite our good faith efforts to develop and maintain the Platform, it is still possible that the Platform will experience malfunctions or otherwise fail to be adequately developed or maintained, which may negatively impact the Platform and the potential utility of HIRE, including its utility for obtaining Services.

12. Risk of an Unfavorable Fluctuation of Ether and Other Currency Value

The Quant Index team intends to use the proceeds from selling HIRE to fund the maintenance and development of the Platform, as described further in **Exhibit B**. The proceeds of the sale of HIRE will be denominated in Ether, and may, at our discretion, be converted into other cryptographic and fiat currencies. If the value of Ether or other currencies fluctuates unfavorably during or after the Sale Period, the Quant Index team may not be able to fund development, or may not be able to develop or maintain the Platform in the manner it intended.

13. Risk of Dissolution of Quant Index

It is possible, due to any number of reasons, including, but not limited to, an unfavorable fluctuation in the value of Ether (or other cryptographic and fiat currencies), decrease in HIRE's utility (including its utility for obtaining Services), the failure of commercial relationships, or intellectual property ownership challenges, the Platform may no longer be viable to operate and the Foundation may dissolve.
